

ART TO ACTION ON HARWOOD CREEK WITH
MS. RYBA'S THIRD-GRADE CLASS
FROM JOHN MUIR SCHOOL

STUDENT HAIKU

Stones inside the creek
Fallen leaves cover the ground
Grass grows here and there
By Olivia

Webs stretched across trees
Branches grow into water
Ripples flashing through
By Olivia

Things must not be kicked
You can see all different things
Big logs, rocks, branches
By Habib

Big logs in the creek
All kinds of plants in the creek
The creek is talking
By Habib

Smell of fresh oak leaves
Water surrounding green plants
Water hissing sound
By Jasmina

Nature is calling
Wonderful places to be
My time running out
By Jasmina

Logs are home for bugs
Logs are for decoration
Logs are in the creek
By Valeria

Rocks are on the ground
Rocks are shaded from a tree
Frogs hopping on rocks
By Valeria

Webs are to catch flies
Webs catch bugs like dragonflies
Webs catch bumblebees
By Wesley

The trees are peaceful
The trees have one hundred leaves
The trees need sunshine
By Wesley

The breezes whistle
Through the giant redwood tree
Bees buzzing in air
By Kori

The crow caw loudly
A fly buzzes in the sky
The sounds of nature
By Kori

Dragonfly nearby
Birds are flying very close
A lot of birds sing
By Rané

Pretty leaves on trees
I like when the leaves fall down
Leaves come down a lot
By Rané

The water is cold
Petals are taken downstream
Leaves move in the wind
By Ocean

Feet rustle the leaves
The feel of a rock is sharp
Twigs are shaped by wind
By Ocean

Creek is very nice
The leaves float through the water
Rocks look very nice
By Ray

A bird is singing
The leaves are very crumbled
Nature is passing
By Ray

Beautiful leaves are fun
Plants are really beautiful
Life is very fun
By RJ

Insects like the creek
Dragonflies are very cool
Roots are interesting
By RJ

Beautiful water
Sweetly singing birds
Green leaves floating by
By Elsa

Bunches of green trees
Wildly twisting branches
Golden rays of sun
By Elsa

Glistening water
Rapids pull the leaves along
Dripping water flows
By Eva

You feel well rested
The water glows on the trees
Surprisement awaits
By Eva

Have fun with the creek
Flowers are a part of nature
Do you see the creek?
By Daron

Have fun with the leaves
The creek is fun to live by
The creek is nature
By Daron

I see cool flowers
I see the beautiful plants
Rocks are very dry
By Haroun

Dragonflies are high
Insects are indeed colored
Stink bugs really stink
By Haroun

Trees by the water
Rocks and plants around the tree
A beautiful tree
By Ari

A beautiful creek
Where the dragonflies flutter
Where the water waves
By Ari

Nature is fun work
Working in the creek is fun
I love the school creek
By Maraya

The school creek is great
When I went there I saw plants
The creek is nature
By Maraya

The peaceful water
The dragonflies in the sky
The exotic plants
By Jackson

The peace and quiet
The thick bushes by the creek
The amazing plants
By Jackson

Lots of rocks and trees
I like the little pebbles
